

Set1Free Freedom Party Idea

. . . It's as simple as 1-2-3!

1. Before

- Familiarize yourself with the information found under the Set1Free tab at WorldCrafts.org. Go to the Set1Free Call to Action Piece for general information and a list of current Set1Free artisans.
- Select a site (home or church) and date for your Freedom Party.
- Print some or all of the colorful feature stories about the Set1Free groups.
- Print copies of the Set1Free Prayer Guide.
- Select one or two activities that would be appropriate for your participants.
- Plan light refreshments, if you desire to include food.
- Send invitations.

2. During

- Introduce the Set1Free campaign by sharing from the Call to Action piece. Copies of the feature stories on poster board create a colorful interest center.
- If possible, show the Set1Free video (less than two minutes). Or show the WorldCrafts *Sustain Me* DVD (H104125, \$9.99).
- Lead your participants in a prayer experience on behalf of those who are poor and exploited, using the prayer guide for specifics. Provide a copy of the prayer guide for each participant for use in the weeks ahead.
- If you have selected at least one activity to engage your guests, introduce that activity at this time.
- Serve light refreshments, such as cookies and coffee or tea.
- Take product orders.

3. After

- Complete order form (available online).
- Tell us your party story by posting your pictures on our WorldCrafts Facebook page.
